Associates in Emergency Care has partnered with Stafford County to form the "Stafford County and Associates in Emergency Care Consortium" to continue the achieved goal of national accreditation that began in 2003 and to successfully provide student services in all of our EMS programs. The "Stafford County and Associates in Emergency Care Consortium" is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Committee on Accreditation of Educational Programs for Emergency Medical Services Professions (CoAEMSP).
